RE: MB Docket No. 10-56

Dear Chairman Genachowski and Commissioners:

I recognize that you are in the process of reviewing a proposed joint venture between Comcast and NBC Universal. As part of that review, I am sure that you will be taking interest in learning how these companies partner with the local communities they serve. We feel that NBC-Universal believes in the mission of our organization and has improved the lives of children in Chicago through volunteerism as well as offering support that will help our youth develop and thrive.

The Abraham Lincoln Centre, located on Chicago's South Side provides needed social services to over 7,000 children and families per year. We know that NBC-Universal shares the goals of our organization. The company has supported our educational efforts and commitment to our youth over the past year. If it were not for NBC-Universal, we would not be able to share our message with such a widespread audience.

We feel that Comcast's partnership with NBC Universal will also be beneficial to the community through providing new and additional opportunities to support children and education.

We hope you will join us in support and look forward to a flourishing partnership that will continue to benefit the Abraham Lincoln Centre.

Sincerely,

Ellyn Harris
Director of Development
Abraham Lincoln Centre
